Based on certain procedure performed and information provided by the management / directors of the measured entity, we have determined that the total annual revenue of the measured entity is less than or equal to R 10 Million. We have determined that the level of black ownership / black women is as set out in this certificate. Our conclusion is subject to an inherent limitation in that our procedures performed were on historical financial information that has not been subject to audit or review. This certificate does not serve as a guarantee that the revenue or EME status reflected will continue at the same levels. Where the entity is a start-up enterprise this EME Certificate is valid only for contracts with a single value of less than or equal to R 10 Million. Should the contract value being tendered for be higher than R 10 Million and less than R50 Million, the EME will be required to submit a QSE verification certificate with any tender. For tender contracts over R 50 Million, the EME will be required to submit a generic B-BBEE verification certificate / scorecard.
